Inclusion & Diversity

Inclusion and Diversity (I&D) is a foundational principle at Yuhong, both because it's the right thing to do and because it is a fundamental enabler for our business. We actively recruit, develop and retain talent from diverse backgrounds and cultures who bring different experience, perspectives, abilities and ideas. We foster an inclusive environment in which all employees feel valued, respected and accepted.

Inclusion and Diversity is more than a commitment to us, it is the way we work.
